# Our Values

## **Academic Excellence**

At Anthem Christian School, we strive to develop lifelong learners who excel in all areas of life. Our rigorous curriculum is designed to challenge and inspire students to reach their full potential.

## **Christ-Centered Education**

We integrate spiritual growth with academic learning, helping students develop a deep understanding of the Word of God and Christian values. Our goal is to prepare students for a life of service and leadership.

## **Safe Environment**

The well-being of our students is our top priority. Our secure campus and supportive community ensure that every child feels safe, valued, and respected.”

# Welcome

Robin Young,  
Principal

We are thrilled to welcome you to Anthem Christian School, where every student's journey is marked by growth, discovery, and excellence. We understand that choosing the right school for your child is a significant decision, and we are committed to ensuring that your trust in us is well-placed.

## **Our Mission: Christ-Centered Education**

At Anthem Christian School, our mission is to provide a Christ-centered education that nurtures students academically, spiritually, and emotionally. Our core values of academic excellence, Christ-centered education, and a safe environment are at the heart of everything we do, guiding our approach to teaching and learning.

## **Growth and Excellence**

Our dedicated team continually enhances our curriculum, upgrades our facilities, and plans new programs designed to challenge and inspire our students. Whether your child is entering kindergarten or preparing for their final year with us, they will find a supportive community eager to help them succeed.

## **A Supportive and Nurturing Community**

Our goal is to cultivate an environment where students embody kindness, respect, responsibility, diligence, and joy. We believe in empowering our students to become future leaders who positively impact their communities and the world.

## **Join Us in This Journey**

We invite you to join us in this exciting journey. Together, we can ensure that your child receives the best education possible in a nurturing and supportive environment. Thank you for choosing Anthem Christian School. We look forward to partnering with you in your child's educational journey.

# Academic Programs

At Anthem Christian School, we believe in fostering a well-rounded education that prepares students for success in all areas of life. Our curriculum is designed to challenge students academically while nurturing their spiritual and emotional growth. Below is an overview of our key programs and subjects.

## Mathematics

Anthem's math curriculum builds a solid math foundation through a traditional, teacher-led approach. It focuses on mastering arithmetic, problem-solving, and critical thinking with systematic progression and repetition to reinforce concepts. Engaging exercises and clear explanations help students gain confidence and prepare for advanced math studies.

## Language Arts

Our language arts program integrates phonics, reading, writing, spelling, grammar, and literature to build strong communication skills. Starting with phonics, students develop reading fluency, grammar, writing techniques, and vocabulary. The program blends traditional methods with engaging materials to help students become confident readers, proficient writers, and articulate communicators.

## Science

Our science program provides a Christian-based exploration of the natural world, covering biology, earth science, chemistry, and physical science. The curriculum emphasizes hands-on activities, observation, and critical thinking, helping students understand scientific concepts while fostering curiosity about God's creation. Through engaging lessons

and clear explanations, students gain both knowledge and appreciation for the order and design in nature.

## Social Studies

Our social studies program offers a Christian-based exploration of history, geography, government, and economics. It emphasizes American and world history, key events, and cultural influences, fostering an understanding of citizenship and moral values. Through engaging lessons and activities, students gain an appreciation for their heritage and their role in the world.

## Technology

Anthem students in grades 1-5 integrate technology into their learning by using digital tools to practice and reinforce key skills. Starting in 6th grade, students transition to using Google Classroom to support a range of educational activities, enhancing their learning experience and preparing them for more advanced digital literacy.

## Arts and Music

We believe creative expression is essential for a well-rounded education. Our Arts and Music programs allow students to explore their talents and develop artistic abilities. Through visual arts, drama, and music classes, students gain confidence, enhance their creativity, and learn to appreciate the beauty of artistic endeavors.

### **Extracurricular Activities**

At Anthem Christian School, we believe that learning extends beyond the classroom. Our extracurricular activities provides students with opportunities to explore their interests, develop new skills, and build lasting friendships.

### **Physical Education**

At Anthem Christian School, all students engage in fun-filled physical activities designed to enhance their coordination and overall fitness. Our program promotes healthy habits and teamwork, ensuring every child enjoys and benefits from active participation.

### **Student Life**

Anthem Christian School offers a vibrant student life that balances academics with enriching experiences. Our students enjoy a dynamic and engaging environment where each day brings new opportunities for growth, learning, and fun.

### **Vision for your Child's Success**

Our greatest joy is watching our students thrive and grow. Our academic program is designed not just to teach but to inspire—a place where each child can discover their unique gifts and talents.

We believe that education is a journey taken together, with parents playing an essential role. Your involvement and support are integral to your child's success. Our goal is to nurture the whole child, focusing on intellectual, emotional, and spiritual growth.

We strive to create a learning environment where every student feels valued and encouraged to reach their full potential. We are committed to building not only strong minds but also strong character, preparing our students to be compassionate, responsible, and well-rounded individuals. As we look to the future, we aim to equip your children with the skills and values they need to succeed in whatever path they choose. Together, we can help them achieve great things and make a positive impact on the world.

**"I am happy having my two children at Anthem Christian School. The Staff is very professional and dedicated in helping each student's individual needs. What I also like is that they help their students achieve academic excellence, but at the same time kids are busy having fun with so many activities that they prepare for them!"**
